The Market News Service (MNS) Cut Flowers and Ornamental Plants Weekly Price Report presents prices for those products for which current information is not commonly available, but that are of substantial importance to a significant number of developed and developing countries.

The MNS objective is to provide indications on market prices and trends to support exporters, producers, sector associations and other private or public organizations in their decisions and studies. MNS aims to serve as a market intelligence tool to improve market transparency and facilitate trade.

MNS Floriculture Products Market information-providers include major importers, wholesalers, auctions and organizations in 11 European countries and 2 Asian countries. Markets are covered weekly, on a yearly basis. Information is collected throughout the week and is available for transmission by the close of business (European time) each Wednesday unless otherwise advised.

MNS quotations refer to major flower auctions quantities and average prices from the Netherlands and Japan, and wholesale market indicative prices from Singapore. European prices are quoted in Euro (weekly US\$ rates of exchange are annexed). Asian prices are quoted in local currencies and in US\$. Unless otherwise mentioned, prices are quoted per stem and are related to size in cm.

We welcome new sources of information, news that subscribers and readers might have on their specific products or areas, inquiries or information requests on the products and markets covered by the report as well as suggestions, remarks and indications on the report content.
